HUGE PRICE IMPROVEMENT! Welcome to the ever-popular community of Crow Creek-- one of the most highly sought after gated communities in SE North Carolina. This stunning home is situated at the end of a quiet cul-de-sac. The welcoming front porch greets you and you will be absolutely amazed when you walk in and see the open concept floor plan. This 3 bedroom PLUS office has all of the space you could want and more! When you walk into the foyer, on the right is a large office which can be used as a guest bedroom. To the left is the formal dining room which opens up into a DREAM KITCHEN! This features large granite center island, gas cooktop, stainless steel appliances, tons of cabinetry storage, coffee bar with upper & lower cabinets and huge walk-in pantry. It opens right up into the gorgeous living room complete with fireplace. It has plenty of space for gatherings and will accommodate many furniture configurations. There is a split floorplan with large master bedroom on the right side of the home. When you walk into the master bathroom you will feel like you are at a 5-star resort spa with enormous walk-in tiled shower, double vanity and exquisite granite countertops. There is a huge master closet & one of the nicest features of this floorplan is that you can walk out of the master closet directly into your laundry room! The other side of the home has 2 more large guest bedrooms and each has their very own full
